Topi-Click® Dispensing Instructions

Read all of this information and instructions carefully before dispensing cream from the Topi-Click®.

- Pop off the cap by placing thumb in groove on the front and pressing upward.
- Turn the base to dispense the specified number of clicks per physician's instructions.
- Apply by rubbing applicator pad to area of skin as directed by the physician.
- Replace cap.
- When the bottom line nears the word "Refill," it may be time to call in for any refills because there are approximately 12 clicks left.

0.5ml dose = 2 clicks

1ml dose = 4 clicks
